SOUNDS OF THE SILVER SCREEN

London Mozart Players

Conductor: Ben Palmer

St John the Evangelist

London SE19 2RX

From Pinewood to... Norwood!

London Mozart Players bring the magic of the movies to St John's in a concert that's perfect for all the family.

The greatest movies of all time all have incredible soundtracks: just imagine *Jaws* without its shark-infested semitones; *Indiana Jones* swashbuckling in silence; *ET's* bicycle soaring soundlessly across the moon. Soundtracks can make a movie magnificent, underpinning the pictures with glorious melodies or terrifying tunes that shape how we react to what we see on the screen.

Our movie music matinee features some of the world's greatest composers, showcasing soundtracks that depict love, betrayal, drama, tragedy and horror. Revel in the passions of *Pride and Prejudice*, the sorrows of *Schindler's List* and the heroics of *Henry V*. Popcorn anyone?
