This concert aims to raise money for the LMP's SE19 community and education work. Whilst we've kept ticket prices low for this concert so it's accessible to the whole community, please feel free to donate on the day to help us continue to bring concerts to St John's.

In a Sunday treat for all the family, acclaimed international pianist and Chopin specialist Janusz Piotrowicz will give a recital on the superb Steinway piano that now resides at St John the Evangelist. The concert, which features some of the best-loved music in the repertoire, will raise money to support the London Mozart Players' ongoing work in the community at Upper Norwood.

After winning the Nawrocki Prize at the 1975 Warsaw International Chopin Piano Competition, Janusz launched his international career, giving up to 300 concerts a year including performances at the Royal Albert Hall. This is a rare opportunity to hear him play in South-London.

Set in the round so you can get a close up view of this wonderful instrument and its maestro, St John's will echo to the dazzling sound of Chopin's most loved music. Drift away with the mesmerising magic of mazurkas nocturnes, preludes, waltzes and polonaises – as sparkling as the glass of prosecco in your hand!

To encourage young talent, fledgling pianists from Croydon will perform before the concert and during the interval, and in three short masterclasses, Janusz will give promising young pianists invaluable advice on their performances. Please arrive at 2.30pm to hear the young pianists perform before the concert.

*If you are a pianist under 18 and would like to perform a short piece before the recital or during the interval, please send your contact details, your name, age and the duration of your piece to [jenny@lmp.org](mailto:jenny@lmp.org) by Monday 27th May.*
